

Walk-In Building Supplies – 2714A

The Division of Purchase & Contract has established a new statewide term contract to provide walk-in building supplies in multiple categories.

This contract is a convenience contract which shall be used by state departments, agencies, higher education institutions as well as non-mandatory state agencies and other eligible entities.

This contract replaces expired STC #150A.

New Contract Highlights

No purchase orders received or generated from the state's E-Procurement system shall be accepted or filled by the vendor under this contract.

Items shall be paid exclusively by cash, check or state procurement card (credit card). Key fobs may be used only for authorized state purchases.

Agency managers and authorized agencies representatives can register to participate and order key fobs at www.lowesforpros.com/NASPO by following these steps and selecting responses from drop down menus:

- Select state
- Select agency (two drop-down selections)
- Select the quantity of government contract savings cards needed
- Complete shipping Information
- Click on the verify address and submit button
