Contract Covers	This contract covers the state's normal requirements for brand specific and generic agricultural chemicals including fungicides, herbicides, insecticides, pesticides, and adjuvants by region .
Contract Does Not Cover	This contract does not cover fertilizers.
Mandatory Contract	This is a mandatory Statewide Term Contract for state agencies, departments, institutions, universities, and community colleges – unless exempted by North Carolina General Statute. Additionally, non-mandatory entities, including schools and local governments, that are allowed by general statute may use this contract.
Transportation Charges (FOB destination)	The minimum order for free shipping is \$500 . The state will be required to use this contract for orders less than the minimum order amount. However, in such cases, the order will be shipped prepaid and actual transportation charges may be added to the invoice as a separate line item. Additionally, products are available for local pickup from Green Resource LLC at its Charlotte, Colfax, Garner, and Supply locations.
Packaging and Storage	<p>All items ordered shall adhere to the following packaging and storage requirements.</p> <ul style="list-style-type: none"> • Material shall be packed in new, unused containers of suitable materials, preferably recyclable (where available). • All containers shall be properly labeled with the seller's label as registered with the United States. • Criteria outlined by the Environmental Protection Agency and the North Carolina Department of Agriculture & Consumer Services, if required. • Each container shall be filled with product that meets the analysis guaranteed on the label. • Each container shall contain no less than the amount of material indicated on the label. Chemicals shall be capable of storage for at least twelve (12) months from time of delivery at temperatures down to 0°F without crystallization or deterioration.
Safety Data Sheets	<p>In addition to meeting federal and state laws and requirements concerning hazardous chemicals, a successful bidder shall forward with each invoice a proper and current Safety Data Sheet (SDS). Furthermore, the successful bidder shall furnish the state and/or its agencies additional SDS as requested.</p> <p>All items offered in this contract must be used according to the label(s) provided. Safety Data Sheets must be supplied with each shipment.</p>
Taxes	Prices do not include North Carolina sales or use tax.
Warranty	Vendors guarantee items offered to be free from any and all defects in material, packaging, and workmanship, and agrees to replace defective items promptly at no charge to the state, based on the manufacturer's standard warranty.
Substitutions	Substitutions are not permitted without prior approval of the Division of Purchase & Contract.
Loaded into E-Procurement	Catalogs are loaded in E-Procurement .
