Inactive Hazardous Sites Cleanup Fund, Pre-Regulatory Landfill Unit

Dear Mr. Driver:

The above project was advertised for the selection of designers using the State of North Carolina Interactive Purchasing System website. The Department intends to award contracts to the top four recommended firms. With approval of the State Construction Office, the State Building Commission's "Designer and Consultant Selection Policy" was used as a guideline for the selection of designers leading to a priority recommendation as follows:

1. ATC Associates of North Carolina, P.C. - Raleigh, NC
2. E.S.P. Associates, P.A. - Charlotte, NC
3. Smith Gardner, Inc. - Raleigh, NC
4. CDM Smith, Inc. - Raleigh, NC

The following two firms are alternates in priority order.

5. AECOM North Carolina, Inc. - Raleigh, NC
6. Geosyntec Consultants of NC, P.C. - Charlotte, NC

Thank you for your consideration.

Sincerely,

Cheryl Marks
Capital Projects Coordinator
