Ordering Instructions for Term Contract 924A
Teaching Equipment and Courses for Electricity/Electronics**

Vendor	Contact	Phone Number	E-Mail Address
Hampden Engineering Corporation 99 Shaker Rd East Longmeadow, MA 01028	John M. Flynn	800-253-2133	Sales@Hampden.com

Steps to place your order via E-Procurement:

1. Select additional products from list below
2. Click on "Add Items" in E-Procurement
3. Click on the tab marked "Non-Catalog"
4. In the field titled "Full Description", type in "Electricity Teaching Equipment/Course order per Term Contract 924A" plus additional descriptive text
5. In the field titled "Commodity Code", click on the +, select 924-78 or 287-78
6. In the field titled "Supplier", click on the +, select 'Hampden Engineering Corporation'
7. In the field titled "Quantity", type in the appropriate quantity of your order
8. In the field titled "Unit of Measure", leave the default EACH
9. In the field titled "Price", type in the total NC Net price as provided by the table below
10. Complete all other appropriate information on this page and click "Add Item"
11. On the View Line Items page click "Edit" to access the Edit Line Item page
12. On the drop down box next to "Contract?" select "Statewide". When you select "Statewide", the "Contract ID" Field appears
13. Enter the Term Contract ID Number into the "Contract ID" field. Do not use spaces or dashes in the Term Contract ID Number. Your Term Contract Number should be entered as follows:
"924A"
14. Click "OK"; repeat the "Edit" steps for all State Contract line items; when completed click "Next"
15. Complete the Shipping and Accounting screens appropriately
16. Continue your order placement process and submit your eRequisition
