

**QUALIFIED PRODUCTS LIST  
FOR  
BRIEFS (INCONTINENT), UNDERPADS AND DISPOSABLE WASHCLOTHS**

(This Qualified Products List is released for procurement purposes until revised or rescinded.)

**SCOPE**

This QPL covers Incontinent Briefs, Underpads and Disposable Washcloths (wet wipes) for use by state agencies and institutions.

**I. GENERAL**

Listing of the product is not intended to and does not connote endorsement of the product by the State. The list is intended for use in procurement of pre-approved Incontinent Briefs, Underpads and Disposable Washcloths. Use for any other purpose is not intended, and use for promotional purposes is specifically prohibited.

This listing does not constitute a formal contract with the manufacturers listed herein, but lists only those products meeting requirements.

Manufacturer's changes in specifications: Any changes in specifications of the listed items shall be reported to this office in writing within five (5) working days after the change is implemented. The acceptability or lack thereof of the revised product will be made at the sole determination of the State. Failure to properly report changes in specifications in accordance with the above may result in removal of the item from this list.

Manufacturer's change in product identifier only: Any change in the product identifier of a listed item, where no change in manufacturer's specifications has occurred, shall be reported to this office in writing within five (5) working days after the change is implemented. The State reserves the right to investigate the circumstances and to subsequently accept or reject the reidentified product, whichever the State in its sole judgment deems appropriate. Failure of bidder to properly report changes in product identification in accordance with the above may result in removal of the item from this list.

Discrepancies in product identifiers: In instances where the manufacturer's product identifier and the identifier listed in the QPL differ, the State reserves the right to investigate the circumstances and to subsequently accept or reject the product in question, whichever the State in its sole judgment deems appropriate.

## V. NEW LISTINGS

A request for applications for inclusion on this Qualified Products List (QPL) will broadcast to all the parties registered to the Vendor Link database for this commodity. At that time, the product specifications, questionnaires (if any) and application request forms with documentation requirements shall be identified for application to the evaluation process. Refer to the following link for registration to the Vendor Link database. <http://www.pandc.nc.gov/VendorLinkNC.htm>. It is very important that vendors continually check and verify that the registration and email address provided is current and that spam or other filters will not prevent reception of the email broadcast.

If you do not receive the above email broadcast for application for evaluation to the QPL within at least 180 days before the current contract expires, the prospective bidder should request in writing to the Standards Section, the request for evaluation for the QPL for this commodity.

For any application to the QPL, the bidder may wish to confirm by email the receipt of the application submitted.

**Note:** Products previously evaluated by the state may be reevaluated at the State's option.
