State Surplus
Statewide Scrap Metal Collection
Requisition No: PR12301883

Bid Proposal

Holmes Iron & Metal, Inc. will be able to take on Regions 8 and 11, but based upon the following stipulations:

- We will be available to supply bins at sites **ONLY** that are able to turn over every 45 days. A 60-90 day turn over time is not feasible.
- We will supply a container for any site working on a special project, but terms are that the bin will not sit longer than 30 days.
- We will service a live load to any state site that is able to save up materials and put in containers not supplied by Holmes iron & Metal, Inc. Once a full load is built, we will service a live load at the site.
- We will release any state sites that prefer to transport to a closer facility to recycle.

If you should find this acceptable, please see attached pricing.

Sincerely,

Douglas D. Holmes
