Re: Water Supply & Treatment System
Contract 4 – Reverse Osmosis Water Treatment Plant
Brunswick Regional Water & Sewer H2GO – Leland, NC

Ladies/Gentlemen,

We are bidding on the above-referenced project as a prime contractor and are soliciting proposals from qualified disadvantaged, minority, female and small businesses. Bids are due to the owner at 2:00 PM on June 15, 2017. However, in order for us to prepare the bid documents for submittal by the published bid time, **we ask that you submit your bid(s) no later than 11:00 AM** to estimating@shookconstruction.com or fax: (866) 652-7331.

The project consists of complete construction of 5 water supply well sites consisting of 2 deep wells per site, and construction of a 4MGD reverse osmosis water treatment plant. The project is taxable.

The following items of work apply to this project:

| | | |
|-----------------------------|----------------------------------|--------------------------------|
| General Conditions | Masonry | Paint & Coatings |
| Sitework & Utilities | Misc. Metal Fabrications | Misc. Specialties |
