Procurement 411 Quarterly Webinar

PROCUREMENT 411

**Thursday,
March 13**

10 a.m. - 12 p.m.

Join purchasing and contract professionals from across the state to hear about recent developments and learn how they may impact *your* agency.

There will be opportunities to ask questions during the session.

In this webinar, we will discuss:

Contract Management

- Statewide term contract updates (renewals, product removals, and additions)
- Brief recap of negotiation guidelines

Operations and Systems Support

- System updates

Procurement Education

- NC PEAK Conference, March 31 – April 1
- NCP, NCPO, NCCM cohorts starting May 6 (registration closes April 22)

Strategic Sourcing

- New statewide term contracts (and those in process)
- New template(s)
- Bid evaluation tool (Invitation for Bid)

- Team updates

Risk & Compliance Management

- Responding to findings

Statewide IT Procurement (SITP)

- New and upcoming renewals of statewide term contracts
- Contracts dashboard
- Department of Information Technology eForms and exception request
- IT procurement training
- PEAK breakout session
