New Statewide Term Contract

1511A – Natural Gas (Interruptible and Firm)

Effective Dates: March 1, 2025 – March 1, 2028

The Division of Purchase & Contract has established a new statewide term contract that covers the state's normal requirements for the provision of natural gas (interruptible and firm).

This is a **mandatory** statewide term contract for state agencies, departments, institutions, universities, and community colleges, unless exempted by North Carolina general statute. Additionally, non-mandatory entities, including schools and local governments, that are allowed by general statute, may use this contract.

This contract replaces statewide term contract 405N, which expired on February 28, 2025.

New Contract Highlights

Through this contract, vendors will provide natural gas (interruptible and firm) through each of the four natural gas service areas/pipelines regulated by the North Carolina Utilities Commission:

1. Piedmont Natural Gas
2. PSNC Energy (Dominion)
3. Frontier Energy
4. Toccoa

Vendors shall conduct training at the beginning of the contract term to ensure agency understanding and how to best utilize services through this contract.
