## New Statewide Term Contract

### Automated External Defibrillators (AEDs) & Accessories – 4217A

*Effective Dates: August 19, 2024 – February 2, 2026*

The Division of Purchase & Contract has established a new statewide term contract that covers the state's normal requirements for external automatic, semi-automatic and manual defibrillators, including parts and accessories.

This is a mandatory statewide term contract for state agencies, departments, institutions, universities and community colleges, unless exempted by North Carolina general statute. Additionally, non-mandatory entities, including schools and local governments, that are allowed by general statute may use this contract.

This contract replaces expired statewide term contract 465B.

#### New Contract Highlights

This contract covers the state's normal requirements for external automatic, semi-automatic and manual defibrillators, including parts and accessories.

This contract does not cover leasing of automated external defibrillators.
