New Statewide Term Contract

Healthcare Simulation Instructional Supplies – 4230A

Effective Dates: *September 4, 2024 – July 30, 2027*

The Division of Purchase & Contract has established a new statewide term contract that covers the state's normal requirements for Pocket Nurse simulation healthcare training products, including:

- A broad portfolio of medical supplies for healthcare simulation education
- Multi-location shipping, Pocket Nurse delivery and local installation services
- Large volume order discounts
- Flexible payment options

This is a convenience contract for state agencies, departments, institutions, universities, community colleges, and non-mandatory entities including schools and local governments.

Additional contract information may be found on the Omnia Partners website.

Contract Details

Number: 4230A

Name: Healthcare Simulation Instructional Supplies

Contract Manager:
Jonathan Davis
984-236-0225

Vendor:
Pocket Nurse Enterprises Inc. dba Pocket Nurse

Expires: July 30, 2027

Type: Convenience

Delivery: FOB destination

New Contract Highlights

The contract is intended to provide agencies with discounts resulting in the most favorable pricing.

Orders can be placed directly with the vendor; contact the vendor directly for product ordering procedures for orders placed outside of NC eProcurement.

Orders must have a merchandise minimum order size of $100.00 to avoid a less-than-minimum $20.00 service charge.

The vendor has a dedicated account manager for the efficient placement of orders, and to ensure that agencies receive the utmost level of customer service.

The Division of Purchase & Contract is focused on establishing statewide term contracts that provide customers with goods and services at the best value.

Ordering: Ordering instructions and/or catalogs are loaded in eProcurement.

All contract details are available on Purchase and Contract website.
